02/28/2003 11 : 26

Under separate electronic submission I am sending amendments to three reports filed in 2002: the April Quarterly; the July Quarterly; and the Post General. Through an error in the software used to submit the reports, the election designation boxes were improperly checked for contributions to Senate candidate James Talent. The amended reports correct the 3/29/02 disbursement from General to Primary; the July Quarterly from General to Primary; and lastly the Post General from Primary to General.
